June 2026

We are happy to announce the **18th annual** "**Volley 4 Hearts**" fundraiser, benefiting **Camp Bon Coeur,** will be held **Saturday October 24th** at **Volley Beach** from 10am – 7pm. The money raised at this event will help send children born with heart defects (CHD) to summer camp where they experience a true summer camp with all their medical needs being considered and taken care of. Camp Bon Coeur, Opened in 1985 to give CHD kids a place where they can "***just be a kid***".

**Congenital Heart Defects affect approximately 1 in every 110 babies – an estimated 40,000 babies are impacted annually. 1 in 4 babies born with a heart defect (+/- 25 %) has a critical CHD. There is NO CURE for heart defects.**

**Camp Bon Coeur** gives children with Congenital Heart Defects a traditional summer camp experience they usually would not experience due to their health needs. **It is a place where kids can connect, grow socially and emotionally in a safe and supportive environment with their peers who also bear the scars of heart defects**. Camp Bon Coeur offers a camp program that is designed with the cardiac camper in mind. Campers range in age from 7-16 years. Visit www.HeartCamp.com for more information.
